2. A username and password shall be assigned to all successful application for account monitoring purpose.

3 steps to enjoy great rewards with MBCS Membership Reward Program:

Joining the membership reward program, earning Points and claiming rewards are easy. Here's how it works:

1 Join the i3Reward Program

Qualify for our Membership Rewards is affordable, quick and easy. If you have not yet enrolled, simply complete the application form and email/whatsapp to us. All we need you to do is to nominate 3 givers to do the same, it's really that simple. Membership is RM250 for each year to benefit from our members' range of products and services and start earning points based on MBCS Rewards Customer Guide.

2 Start earning Reward Points

Once enrolled with 9 givers in our network after you, you don't have to do anything different to start earning Points. Every one Point (equivalent to RM1) will automatically be credited to your personal Membership i3Reward account. You can access your statement online with records of your payment, Points you have earned to date plus details of special offers from our reward program partners.

3 Redeem your Reward Points

Once you have enough Points, you can claim the points in our point redemption program held quarterly. With more numbers of members under our group, you get to earn more points to claim more rewards.
